

Vet4Vet

Dear Colleagues,

As the local organisers of the Czech Association of Zoo and Wildlife Veterinarians (CAZWV), we would like to inform you about a high quality continuing education opportunity for veterinary doctors and students

International Veterinary Conference

SOFT TISSUE SURGERY IN EXOTIC PET ANIMALS

From 30th April to 3rd May 2009 in Brno, Czech Republic

This joint conference is organised by:

Avian and Exotic Animal Clinic, Faculty of Veterinary Medicine, University of Veterinary and Pharmaceutical Sciences Brno, Czech Republic

Clinic for Avian, Reptile and Fish Medicine, University of Veterinary Medicine Vienna, Austria

Organisation Vétérinaire Yaboumba, France

Czech Association of Zoo and Wildlife Veterinarians (CAZWV), Czech Republic

Vet4Vet Marek Wojtacki, Poland

Lectures and wetlabs (all in English) will presented with a strong emphasis on soft tissue surgery, patient monitoring and postoperative care of exotic pet animals.

amphibians – reptiles – birds - small mammals

More details can be found on the CAZWV website: www.cazwv.eu

With Best Regards on behalf of the organisation committee

Prof. Zdenek Knotek, DVM. Ph.D
Head of the Avian and Exotic Animal Clinic
